ADMISSION REQUIREMENTS

Regular Admission for Degree-Seeking Students

Note: An official transcript is one that has been received by UMHB directly from the issuing institution. It must bear the school seal, date, and an appropriate signature.

Freshman

1. Applicants who enroll the semester following high school graduation or have no college hours must:
 - a. Rank in the top 1/2 of their high school graduating class **and** score a minimum OLD SAT of 950 (critical reading plus math) or NEW SAT of 1030, or minimum ACT of 20
- OR**
- Rank in the lower 1/2 of their graduating class **and** score a minimum OLD SAT of 990 (critical reading plus math) or NEW SAT of 1070, or minimum ACT of 21
- OR**
- Rank in the top 10% of their high school graduating class from an accredited high school with no minimum SAT or ACT score.
- b. Submit an ACT writing sample or SAT writing sample; required for advising purposes.
- c. Have graduated from a regionally accredited or state accredited high school with 24 units [15.5 units of which must be of the following: English (4), Social Studies (3.5), Science (3), Foreign Language (2), and Mathematics (3)] or completed equivalent credits from a home school curriculum or received the General Education Diploma (GED) with a minimum score of 150 on each of the four exams.
2. A limited number of students may be admitted on conditional admission by consent of the Admissions Committee. An interview may be required.
3. Applicants must submit:
 - a. An application for admission with application fee of \$35 (non-refundable).
 - b. An official ACT or SAT score report. [For more accurate academic advising and awarding of credit based on subject scores, an official score report from the American College Testing (ACT) Program is needed.] Freshmen age 25 or older that rank in the upper half of their high school graduating class will not be required to take the ACT or SAT. Freshmen age 25 or older that do not rank in the upper half of their high school graduating class have the option of being admitted on academic probation or taking the ACT or SAT while meeting the regular admission requirements.
 - c. **For early acceptance** — A high school transcript indicating current class rank and ACT or SAT scores. The transcript must be sent at the end of the fall semester of the student's senior year.
 - d. An official final high school transcript after graduation that indicates graduation date and class rank.

Transfers from Other Colleges

Students transferring less than 12 transferable semester hours [non-developmental, non-vocational] will be admitted using criteria for freshman applicants as well as the following.

1. Applicants must:
 - a. Be transferring credits from a regionally accredited college or university.
 - b. Have an overall grade point average of 2.0 or better (based on a 4-point system). **Entering GPA will be calculated using all hours attempted.** The one exception to this requirement concerns a course that was repeated. In this circumstance, only the highest grade received for the repeated course will be used when calculating the entering GPA.
 - c. Not be on scholastic or disciplinary suspension from any college or university.
2. Applicants must submit:
 - a. An application for admission with application fee of \$35 (non-refundable).
 - b. An official transcript from each college previously attended (sent directly from the institution to UMHB). Even though courses taken at one institution are noted on another college's transcript, applicants must submit transcripts from the institution at which the courses were taken. Transcripts from other institutions which have been submitted for admission or evaluation become part of the student's academic file and are not returned or copied for distribution.
3. A limited number of students with a grade point average between 1.5 and 1.99 may be admitted on probationary status. Students with a grade point average of less than 1.5 will not be admitted. Written appeals will be sent to the Admissions Committee for further consideration. See Probation for more information.
4. Admission status will be based on overall transfer grade point average and academic standing at the last college/university attended.

Students Seeking Teacher Certification

Students who already have a degree and are seeking teacher certification must meet the requirements outlined above for transfer students.

Transient Students

A transient student is a degree-seeking student at another college or university who desires to take courses at UMHB for transfer. Admission may be gained by furnishing the Admissions Office with a statement of good standing in lieu of a current transcript from the parent school from which the degree will be granted. Transient students are not eligible for financial aid. See "*Note" for additional information regarding transient students.

Individual Approval

In exceptional cases, persons who do not meet the requirements for either regular or transient applicants may be granted special permission by the Admissions Committee to study at UMHB. Applicants are required to notify the Admissions Committee as to their plans to seek a degree from UMHB.

Select Program

The University will admit to full-time student status qualified students who have completed their junior year of high school and who wish to forego their last year of high school in order to substitute a year of college study in a degree program. These students must, of course, have exceptional ability. Contact the Admissions Office for details about the program.

Audit

Students desiring admission to the University for the purpose of auditing classes must complete an application in the Admissions Office. An application fee is required. Individuals 18 or under must provide proof of high school graduation or a GED. See “*Note” and Audit Registration for additional information on auditing classes.

Non-Degree Students

Students who already have a baccalaureate degree but desire to take additional undergraduate courses (not towards a second degree or teacher certification) must furnish the Admissions Office with an official transcript reflecting only the last degree acquired. Non-degree students are not eligible for financial aid. See “*Note” for additional information regarding non-degree seeking students.

Just Taking Courses

Students who want college credit for courses but do not plan to complete a degree program must meet regular admission requirements and are not eligible for financial aid. See “*Note” for additional information regarding students who are just taking courses.

Readmission of Former Students

Former students who have officially withdrawn, stopped attending classes without officially withdrawing, attended another institution during their absence, and/or have served a period of Academic Suspension and who are otherwise eligible may apply for readmission by completing the undergraduate applications for admissions. Re-admit students are not required to pay the application fee again. If, during their absence from UMHB, students attended any other institutions, they must submit official transcripts reflecting such attendance. Students experiencing a disruption in continuous enrollment lasting longer than one academic year must reorganize their respective degree plan under the current catalog. See additional comments under “Graduation Under a Particular Catalog”.

Note: For students who plan to switch from transient, audit, non-degree, or just taking courses to a regular, degree-seeking status, the application procedures listed above for transfer students must be completed. The student’s degree program will be determined from the school catalog current at the time of the status change.

Payment of Accounts

Account balances are available on MyCampus (www.mycampus.umhb.edu) 24/7. Paper statements are not mailed.

Tuition, fees, and room and board charges for each academic period are due by due date set forth each semester. Students receiving any type of financial aid (scholarships, grants, loans, campus employment, etc.) must have completion of all such financial assistance from the Financial Aid Office by the due date each semester or at the time of registration if the due date has passed. Registration is not complete until the Registration and Financial Confirmation online form is completed and all financial arrangements are made with the Bursar's Office.

Payment may be on the MyCampus site with a credit card - Visa, MasterCard, American Express or Discover (credit card convenience fees of 2.5% will apply) or E-Check. Payments are also accepted in the Bursar's Office. No payments are accepted over the telephone.

Students should have available funds for the purchase of books and other supplies as these expenses are not charged on the registration bill. Credit cards may be presented for payment in the UMHB Bookstore.

Exclusive arrangements have been made with Tuition Management Systems for families who would like to make monthly payments. The monthly budget program is not a loan and carries no interest. A participation fee of \$55 enables the payer to make nine (9) equal payments to cover projected annual school costs. The first payment is due July 5, but the program may be entered into later by including all previously due payments with the application fee. For those students who will be attending only one semester, a four (4) payment plan is available for \$40. Life insurance which covers the unpaid contract amount is included with this enrollment fee.

The amount to be financed is determined by subtracting all financial aid (including campus work, if applied to account balance, and PLUS loans) from the total of tuition, fees, and room and board. Books and personal expenses may not be budgeted and must be paid for at the time they are incurred. Students may call Tuition Management Systems toll free at 1-800-722-4867 or contact via the web at www.afford.com to assist them in calculating their monthly payment requirement. If a student is dropped from the monthly budget plan due to nonpayment, the balance owed on the student's account will become due immediately.

UMHB will not release transcripts until all accounts have been settled. The University also reserves the right to withhold a student's access to campus services, including MyCampus and UMHB email, and to restrict a student's participation in university events, including commencement, for failure to make complete payment of a student account. UMHB may additionally withdraw a student for failure by the student to demonstrate proper responsibility in the handling of financial matters as related to the University.

Additional charges made to correct errors or omissions are payable upon receipt.

For any check not honored by a bank, a returned check fee of \$25 will be charged and check writing privileges on campus may be revoked.

UMHB utilizes the UMHB Sadermail account as the official means of communicating account notices to students. It is the student's responsibility to periodically check their Sadermail accounts.

Late Payment Fee

Payments are due by August 1, 2016 for the Fall semester, and December 15, 2016 for the Spring semester. Summer and Minimester due dates are posted each term on the Bursar's website and in the financial notices sent to students upon registration. Students who are not enrolled in the payment plan or who do not have an approved third party payment arrangement whose account balance is \$100 or greater will be assessed a late payment fee of \$50.

For students enrolled in the payment plan, if monthly payments are not sufficient to cover account balance by the last payment due date for the payment plan enrolled, the late payment fee may still be assessed to the student's account each month. Please verify monthly payments to TMS will be sufficient to cover the outstanding balance.

This non-refundable fee will be assessed each month thereafter until the account is paid in full or referred for collections.

Collection Costs

The student will remain responsible for all unpaid balances incurred. In the event an account becomes delinquent and is placed with an outside agency for collection, all collection costs and/or legal fees will be the responsibility of the student.

Refund Policy

Registration in the University is considered a contract binding the student for charges for the entire academic period. However, a student finding it necessary to withdraw from UMHB may secure an official withdrawal through the Registrar's Office. This official withdrawal must be accomplished before any consideration can be given by the Business Office to granting refunds.

A student who must drop a course because of excessive absences, poor work, or similar causes, who withdraws without notice, or who is expelled or asked to withdraw is not entitled to a refund. Failure to attend class or simply notifying an individual instructor will not be regarded as an official withdrawal.

Tuition — Tuition refunds, when approved, will be granted according to the following schedule:

Fall or Spring semester:

- 100% refund of tuition prior to expiration of 4th semester day, (4 calendar days) scheduled from the first day of the start of the semester.
- 80% refund of tuition prior to expiration of first 2 weeks, (14 calendar days) scheduled from first day of start of semester
- 60% refund of tuition prior to expiration of first 3 weeks, (21 calendar days) scheduled from first day of start of semester
- 40% refund of tuition prior to expiration of first 4 weeks, (28 calendar days) scheduled from first day of start of semester
- No tuition refunds will be made after the end of the 28th calendar day, counted from the first day of the semester. Refunds for courses other than regular day classes will be prorated.

Summer terms:

- 100% refund of tuition prior to expiration of first 2 semester days (scheduled from first day of semester)
- 80% refund of tuition prior to expiration of first 4 semester days (scheduled from first day of semester)
- 60% refund of tuition prior to expiration of first 8 semester days (scheduled from first day of semester)
- 40% refund of tuition prior to expiration of first 10 semester days (scheduled from first day of semester)
- No tuition refunds will be made after the end of the 10th semester day counted from the first day of the semester. Refunds for courses other than regular day classes will be prorated.

Fees — No refund will be made on required or special fees.

Room — No refund will be made on room charges since rooms are contracted for an entire academic period.

Board — Board refunds will be based on a proration of the number of days remaining in a semester or term, less seven days. Refunds are made by check

only and are made within approximately 45 days of the date of the official withdrawal.

Room Reservations — The room deposit fee will be refunded to a new applicant provided the applicant notifies the university in writing that he/she cannot attend. The deposit refund guidelines are as follows: for a deposit made by a new applicant for the fall semester, a full refund will be given if the notification is received by May 1st; if the notification is received after May 1st up to July 1st, a 50% refund will be given; if an applicant cancels his/her room reservation after July 1st, no refund will be given. For a deposit made by a new applicant for the spring semester, a full refund will be given if notification is received by December 1st. The request for a deposit refund must be made in writing and sent to the Residence Life/Housing Office in the Student Development Department.

Otherwise, the room deposit fee constitutes a permanent room deposit for as long as the student remains at the university. The fee is refundable when a student ceases residency in university owned housing provided the student's room is clean and undamaged. Non-returning students must submit a request for refund of the room deposit, in writing, to the Residence Life/Housing Office in the Student Development Department. If the non-returning student leaves at the end of the fall or spring semester, they may receive a full refund as long as the request is received prior to June 1st.

A student who moves into university housing and subsequently moves out prior to the end of a semester forfeits the room deposit.

Transcript of University Credits

A transcript of university credits is an official copy of a student's permanent record, bearing the University seal and the signature of the Registrar. Copies of students' transcripts are available upon written request to the Registrar's Office.

Requests should include the students' name at time of attendance, social security number, or student identification number, and complete address of where the transcript is to be sent. Requests can be sent to:

Office of the Registrar
UMHB Box 8425
900 College Street
Belton, TX 76513

Transcripts will not be released if the student owes money to the University. This includes, but is not limited to, money owed to the library, bookstore, health center, business office, or any other department or agency considered a part of the University.

COLLEGE OF CHRISTIAN STUDIES

Timothy G. Crawford, Ph.D., Dean

Purpose

The faculty of the College of Christian Studies contribute to the mission of UMHB to be a Christ-centered institution of higher learning by seeking to empower its students to become intellectually prepared servants of God. A key part of the College's mission is to provide Old Testament and New Testament Survey courses for every undergraduate student so that the students not only know information about Scripture, but are also able to interpret and apply it. The College offers courses in advanced biblical studies, biblical languages, church history, theology, philosophy, Christian Ministry, and biblical archaeology. The faculty consists of Christians committed to the service of the church and academic excellence who seek to broaden students' vision and focus their commitment through intellectual and spiritual growth.

Introduction

The College of Christian Studies offers two degree programs and a variety of minors designed to meet the needs and interests of students. Each degree program includes the core courses required of all UMHB students, foundational Christian Studies courses, and courses for the preferred concentration. The College also offers minors to all university students in the areas of Christian Studies, Biblical Studies, Philosophy, Biblical Languages, and Archaeology. The degree programs of the College prepare students for advanced study in graduate schools or seminary and for service in the local church or other ministry and mission settings.

Grade Requirement: A grade less than "C" in Christian Studies courses will not apply toward any major or minor offered in the College of Christian Studies.

BGCT Scholarship Requirements

UMHB students who are active members of churches affiliated with the Baptist General Convention of Texas and who are planning to enter Christian ministry as a full-time vocation may apply for the Baptist General Convention of Texas Scholarship, offered in the amount of \$50/semester hour for freshmen and sophomores and \$75/semester hour for juniors and seniors.

Students receiving the scholarship must complete at least a minor in Christian Studies including the following:

CSMN 1320	Introduction to Christian Ministry.....	3
CSBS 1311	Old Testament Survey.....	3
CSBS 1312	New Testament Survey.....	3
CSCH 3310	History of the Baptists.....	3

CSMN 1320: must be taken in the 1st or 2nd semester of receiving the BGCT scholarship

Foreign Language Requirement

UMHB requires students pursuing the BA degree to complete a minimum of 14 hours (4 semesters) in one foreign language as a Core requirement. Christian Studies majors are encouraged to satisfy the BA foreign language requirement by taking a biblical language (Hebrew or Greek), but it may also be satisfied with Latin, German, French or Spanish. Study of the biblical languages is preferred since it enhances students' understanding of the Bible and prepares them for biblical language requirements in graduate school.

Students pursuing the BCM degree (Bachelor of Christian Ministry) are required to complete 8 hours (2 semesters) in either Greek or Hebrew as a Core Requirement.

CHRISTIAN STUDIES B. A.

Christian Studies students pursuing the BA degree receive a broad liberal arts education and the ability to select from a wide variety of courses that reflect their interests. The B.A. in Christian Studies does not require a minor. However, Christian Studies majors may also complete a minor in Biblical Languages, Philosophy, or in a discipline outside the College. B.A. students who are majoring in a field in Christian Studies may not minor in Biblical Studies or Christian Studies.

COURSE DESCRIPTIONS

Ad Interim Courses

Departments may offer courses ad interim upon approval of the respective department chair, associate dean, and/or dean. These courses may include Selected Topics, Seminars, Special Problems, Special Studies, Special Topics, etc. as well as Independent Learning, Independent Research, Independent Study(ies), etc.

Selected Topics, Seminars, Special Problems, Special Studies, Special Topics, and other courses of this type may be offered to provide content of particular interest, importance, relevance, etc. Such courses may be offered ad interim twice. Once courses of this type have been offered twice, departments must obtain official approval of subsequent offerings via submission of curriculum change proposals for new courses. Courses of this type are generally offered due to some unusual circumstance; they are scheduled like typical courses and intended for general enrollment.

Independent Learning, Independent Research, Independent Study(ies), and other courses of this type may be offered to enable enrollment of a single student in an officially approved course or to provide individualized content. Courses of this type are not intended for general enrollment and usually meet apart from the standard weekly class schedule. If more than one student needs an Independent Study course, it will be offered as a Topics course, addressed in the previous paragraph.

Any officially approved course prefixes (ARTS, BMGT, CSBS, ENGL, MATH, NURS, READ, etc.) may be selected. The courses may be offered at any level (0=developmental, 1=freshman, 2=sophomore, 3=junior, 4=senior, etc.) and for any number of semester credit hours ranging from 0 to 9.

The placeholder for Topics courses offered ad interim is XXXX XX9X: course prefix, course level, semester credit hours, and a two digit number to signify the temporary status of the course (90, 91, 99, etc.). Examples of course numbers for non-singular enrollment ad interim courses include BIOL 4090-01; ENGL 0191-01; EXSS 2391-01; and NURS 3691-01.

Courses which are offered as an independent study to a single student will be offered as their officially approved course numbers, but the section number will be "IS." Examples of numbers for courses of this type include BFIN 4345-IS; MUSI 3289-IS; and PHIL 2315-IS.

Courses offered ad interim are subject to all applicable tuition and fee charges.

CCST-Christian Studies

CCST 2200 - Research and Writing in Christian Studies (2)

This course is designed to improve the research and writing skills of students for academic and ministry purposes. Prerequisite: CSBS 1311 or CSBS 1312 and ENGL 1321.

CCST 4290 - Senior Capstone (2)

Through readings, research and writing, Christian studies students complete their university learning experience. The course emphasizes the formulation of theoretical, ethical and practical perspectives in the students' chosen areas of Christian study and vocational service. Students also prepare for and take assessment examinations and complete program evaluations during the course.

ENGL- English

ENGL 1321 - Rhetoric & Composition I (3)

Students will be introduced to the rhetorical triangle and the writing process as they write a series of original essays. Students will explore various modes and aims of writing as they work through invention, planning, drafting, getting feedback, revising, editing, and proofreading. At the end of the semester, students should be able to create a thesis and adequately support it with a well-structured essay written in a clear coherent, and concrete style and present it to an audience either orally or in written form. A student must achieve a "C" or higher in ENGL 1321 to pass the course. Prerequisite: A grade of a "C" or higher in Skillful Literacy or appropriate score on placement test.

ENGL 1322 - Rhetoric & Composition II (3)

This course will introduce students to some of the history of rhetoric and the role it plays in civilization. The students will learn to apply an argumentative model in both analyses and composition of arguments. A variety of readings will allow the students the opportunity to think critically about the world and their relationship with it. The students will write essays which explore their own thinking and produce and argument that conveys their understanding. A student must achieve a "C" or higher in ENGL 1321 to pass the course. Prerequisite: A grade of a "C" or higher in ENGL 1321.
